

## 2022 Day Sponsorship at the Lake Forest Park Farmers Market!

Now in our 17th season as a celebrated community resource, the Lake Forest Park Farmers Market has grown into one of the most well-established and successful suburban markets in Washington with thousands of weekly shoppers.

**A day sponsorship at the market is a great way to meet market visitors and promote your business or organization!**

**Day Sponsorship Fee:** \$60

### **Sponsorship Includes:**

- **A 6' table (in a space about 10' wide total) with two chairs in our Community Tent** to display materials, share information, gather names and sign-ups, handout coupons, and offer samples (subject to certain guidelines including no food or drink samples).
- Signed recognition by the entrance to the market on our "Thanks to our Day Sponsors" A-frame.
- A hyperlinked (whenever possible) social media shout-out on Facebook and Twitter with recognition as a Day Sponsor the week prior to your market visit.
- The chance to connect with your local community at a market that welcomes 3,000-5,000 weekly shoppers from Lake Forest Park, Shoreline, Kenmore, Lake City, Kirkland, Bothell, and beyond!

**Community Tent:** The Day Sponsor table is located in our Community tent, which is provided by the market. You do not need to bring a tent, table, or chairs, only your display materials.

**Town Center Priority:** **Town Center Merchants will have priority reservations at the market through Friday, April 15, 2022.** After that, Day Sponsorships will be opened up to the larger community.

**Market Schedule:** 10 AM – 2 PM, every Sunday, rain or shine, from Mother's Day (May 8<sup>th</sup> this year) to the third Sunday in October (Oct. 16<sup>th</sup> this year).

**Market Presenters:** The market is presented each year by Third Place Commons, a community-supported 501(c)3 nonprofit organization. Learn more: [ThirdPlaceCommons.org](https://ThirdPlaceCommons.org).
