Greetings Crafters and Artists,

The Lake Forest Park Farmers Market, a program of Third Place Commons, invites you to apply for our upcoming **Holiday Crafts Fairs on November 20th and December 18th**. We are delighted to offer an opportunity for local creatives to share their unique creations with our community, and are looking forward to two wonderful events!

Please note that as COVID conditions continue to evolve, so must our event plans. **At present, our plan is to have some crafts vendors inside in the traditional location in the lower lobby of Town Center and some crafts vendors outside with the regular market vendors.** This will allow us to welcome a full complement of vendors while minimizing crowding inside the mall.

However **these plans could change** in the lead-up to each event, depending on COVID numbers (pushing us outdoor) and/or weather conditions (pushing us indoor). On the application, **please be sure to indicate via the designated tick boxes where you are willing to be placed for these events.**

Please note that we continue to use a fillable Word document for the application. For most of you, you should be able to type your information directly into the application. If you have any problem with this, just print it and complete it by hand before scanning it back to a pdf to submit via email. **Please read the new application process carefully.**

Application Process

Please submit application materials in a **single email** to programs@thirdplacecommons.org.

Final applications may be printed and signed, then scanned to a pdf, or if you're using the fillable form, we will accept a typed signature in lieu of a handwritten signature. Submission of your application constitutes your acceptance that your typed name represents your signature.

Application packets must be complete to be considered, and must be **received via email** by **Monday, October 10th**. Complete application packets will include:

- Completed and signed application.
- Completed and signed Market Requirements acknowledgment sheet.
- 3 photographs to represent current work, clearly labeled, and described on Work Description Form.
- Photocopy (scan) of your current **Washington State Business License**.

□ ****Proof of Commercial Liability insurance that does not exclude Products – Comprehensive/Ops coverage**

**This is a requirement of farmers market insurers for all market vendors.

- You must have Commercial Liability insurance (**cannot exclude** “Products – Comprehensive/Ops” coverage)
- *If accepted*, you must submit a Certificate of Insurance (COI) that names “Friends of Third Place Commons – Lake Forest Park Farmers Market” as an Additional Insured or have a blanket Additional Insured policy.
- **Important Note:** Short term/one-day policies are available, however some short-term policies exclude “Products – Comprehensive/Ops” coverage. Please read details of your short-term policy before purchasing. **We are unable to accept COIs that exclude this coverage.** See market insurance info sheet for more information.

Please note that this is a juried event. Our goal is always to make sure we have a broad representation of media, so that everyone has a fair chance to participate and have a successful day. Our criteria remain the same: all products sold at the Lake Forest Park Farmers Market are handmade by you in the State of Washington. We also require that you personally represent your work at the event.

We will notify you of your application status no later than October 14th. If you have any questions, please send a message to programs@thirdplacecommons.org.

If you are accepted to the market, you will be required to submit the following, which must be received no later than Friday, October 28th:

- Check for \$50 for one market or \$100 for both dates, made out to Friends of Third Place Commons, sent via postal mail to Third Place Commons – Lake Forest Park Farmers Market, PO Box 82355, Kenmore, WA 98028.
- A current Certificate of Liability Insurance naming Friends of “Third Place Commons – Lake Forest Park Farmers Market” as an Additional Insured. May be submitted via postal mail or email to programs@thirdplacecommons.org. (Additional information is available on the Vendor Insurance Information Sheet.) This COI must meet the requirements listed above and must not exclude “Products – Comprehensive/Ops” coverage.

Thank you so much for your interest! We look forward to working together for another great season of holiday crafts fairs!
