

2024 Day Sponsorship at the Lake Forest Park Farmers Market!

Now in our 19th season as a celebrated community resource, the Lake Forest Park Farmers Market has grown into one of the most well-established and successful suburban markets in Washington with thousands of weekly shoppers.

A day sponsorship at the market is a great way to meet market visitors and promote your business or organization!

Day Sponsorship Fee: \$60

Sponsorship Includes:

- A 6' table (in a space about 10' wide total) with two chairs in our Community Tent to display materials, share information, gather names and sign-ups, handout coupons, and offer samples (subject to certain guidelines including no food or drink samples).
- Signed recognition by the entrance to the market on our "Thanks to our Day Sponsors" A-frame.
- A hyperlinked (whenever possible) social media shout-out on Third Place Commons socials with recognition as a Day Sponsor the week prior to your market visit.
- The chance to connect with your local community at a market that welcomes 3,000-5,000 weekly shoppers from Lake Forest Park, Shoreline, Kenmore, Lake City, Kirkland, Bothell, and beyond!

Community Tent: The Day Sponsor table is located in our Community tent, which is provided by the market. You do not need to bring a tent, table, or chairs, only your display materials.

Not Permitted: Sales; fundraising; religious or partisan political activity; food or drink samples/freebies.

Town Center Priority: Town Center Merchants will have priority reservations at the market through Monday, March 18, 2024. After that, Day Sponsorships will be opened up to the larger community.

Market Schedule: 10 AM - 2 PM, every Sunday, rain or shine, from Mother's Day (May 12th this year) to the third Sunday in October (Oct. 20th this year).

Market Presenters: The market is presented each year by Third Place Commons, a community-supported 501(c)3 nonprofit organization. Learn more: [ThirdPlaceCommons.org](https://thirdplacecommons.org).
